## Your newest weapon against identity theft!

With ordinary ink, carbon often floats to the top after the ink dries, which makes original text readable again because of light reflection. Our ink formula minimizes this phenomenon to obscure your private information.

Use the secure marker for accuracy

Use the secure stamp for speed

### **SECURE**Kit

- Super black ink
- Obscures private data
- Pre-Inked stamp
- Chisel nib marker
- One for desk, one for purse
- Stamp is re-inkable

### Perfect for use on:

- Credit card statements
- Legal contracts
- Junk mail labels
- Prices on gift tags
- Prescription bottles
- Magazine labels

brought to  
you by:

## secure stamper • secure stamper • secure stamper

Protect yourself with our secure stamper and marker! Special black ink obscures private information and is perfect for hiding personal data on mail and in documents. Covered information cannot be easily read, scanned or copied.
