

How to re-ink your ClassiX by Xstamper

1. Push stamp down and lock into place.
2. Pull out inkwell or stamp pad.
3. Place a thin layer of ink across the surface of the stamp pad. For P05-P16, place 10 drops of ink into each inkwell slot
4. Allow 15 minutes to fully saturate.
5. Repeat again if necessary.

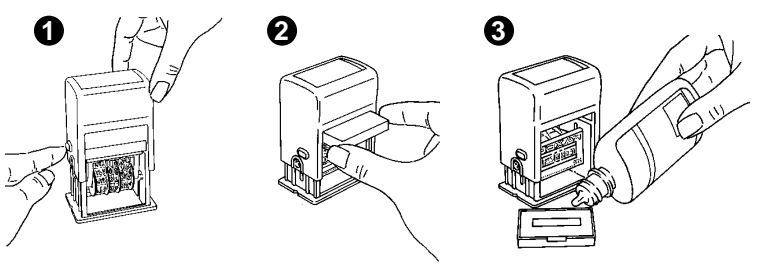

Refill Only With Same Color Ink As Your Original stamp.

RE-INKING INSTRUCTIONS

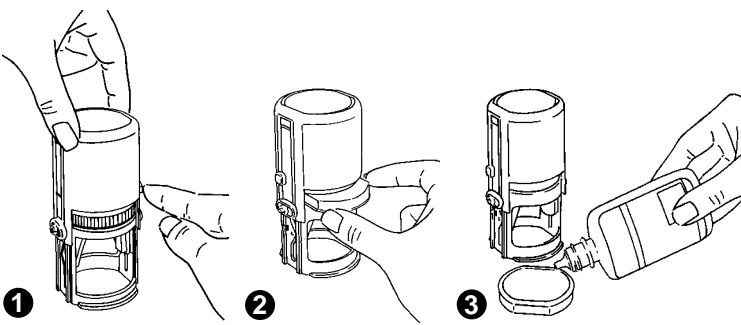

P05, P11, P12, P13, P14

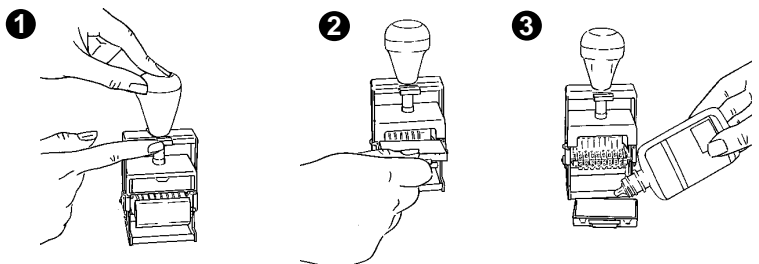

STOCK PLASTIC DATER & P40, P44, P45

P15, P16

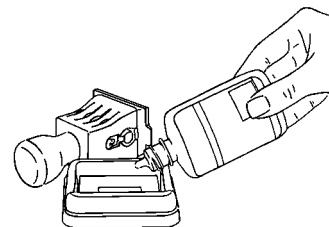

STOCK HEAVY DUTY DATER, MESSAGE & NUMBER STAMPS & M30-34, M40-44, P45

P31 & CUSTOM TRADITIONAL DATE STAMP

1. Remove stamp from dish.
2. Place a thin layer of ink across the surface of the stamp pad.
4. Allow 15 minutes to fully saturate.
5. Repeat again if necessary.

REFILL WITH THE SAME COLOR INK AS YOUR ORIGINAL STAMP.

We recommend using ClassiX by Xstamper Refill Ink only as other inks may damage your stamp.
